A tax rate of \$0.725000 per \$100 valuation has been proposed for adoption by the governing body of City of Port Neches. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Port Neches proposes to use revenue attributable to the tax rate increase for the purpose of municipal operations.

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Port Neches from the same properties in both the 2016 tax year and the 2017 tax year.
